

Amber Mowery

FINANCIAL MANGER

📍 Carlisle, Pennsylvania

Education

Moore College of Art & Design

🎓 *Bachelor of Fine Arts, Fashion & Textile Design*

Amber serves as the Financial Manager at The Growth Partnership, where she is excited to partner with the team to streamline processes, support strategic growth, and contribute to the organization's continued success. She brings a diverse professional background spanning business ownership, operations, project management, finance, and client relations across industries including construction, retail, broadcasting, and fashion.

Prior to joining TGP, Amber spent eight years in the roofing industry, supporting both the operational and financial sides of the business. Earlier in her career, she built and managed her own retail business from the ground up, overseeing all aspects of daily operations, business development, and customer engagement. Her varied experience has fostered a deep appreciation for how the many moving pieces of an organization come together to drive success, and she enjoys helping businesses work more efficiently and effectively.

Outside of work, Amber enjoys gardening, knitting, and spending time with her four cats. An avid traveler and roller coaster enthusiast, she loves exploring new roadside destinations and discovering unique amusement parks along the way.
